INTRODUCTION

This “Code of Conduct” (**Code** or **Procedure**) governs the reporting obligations and methods, and the conduct to be adopted, in relation to **Transactions** (as defined below) involving financial instruments issued by Italmobiliare S.p.A. (**Italmobiliare** or the **Company**) executed by persons discharging administration, control or management functions, of Italmobiliare S.p.A., (**PDMRs**) and persons closely associated with them (**Persons Closely Associated**), as defined where appropriate below, together with the procedures and methods for reporting such Transactions to the Company, CONSOB and the market. The Code aims to:

- **identify** the Company’s PDMRs with reporting obligations required by applicable regulations on internal dealing;
- **define** the methods to be adopted by PDMRs and the Persons Closely Associated with them for reporting to the Company on any transactions executed by them in shares, securities, derivatives or other associated financial instruments, and
- **define** the methods adopted by the Company to manage reports received and to fulfil any related disclosure obligations, identifying the manager in charge of the receipt, management and disclosure to the market of such reports.

The provisions of the Code of Conduct form an integral part of company regulations and, therefore, strict compliance with these provisions is required of all PDMRs.

This Code is notified in writing to all the interested parties and also serves as a means of informing and sensitising such persons to the obligations imposed by law and by applicable regulations. However, it does not aim to replace (but rather presumes) thorough knowledge of European and national regulations on “market abuse”.

It remains understood that the Procedure aims to govern the reporting obligations for lawful transactions, i.e. executed by the aforementioned persons under fair market disclosure terms, without prejudice therefore to the application of European and national regulations envisaging the obligation to refrain from insider dealing and from conduct likely to qualify as market manipulation ⁽¹⁾.

The Procedure is also an essential component of the Company’s internal control and risk management system and of the overall system of preventing offences referred to in Italian Legislative Decree no. 231/2001 and, in particular, in the Organisational Model adopted by Italmobiliare for this purpose.

For all aspects not specifically covered in this Code, the legal and regulatory provisions in force *pro tempore* will apply.

¹ Compliance with the provisions of this Code does not exempt PDMRs and Persons Closely Associated from compliance with regulations on the notification of major holdings in accordance with current legal provisions.

Article 1

Persons Discharging Managerial Responsibilities (PDMRs) and Persons Closely Associated

1) For the purposes of this Code of Conduct, pursuant to Article 19, paragraph 1, and Article 3, paragraph 1, point 25) of Regulation (EU) No 596/2014 relating to market abuse ⁽²⁾ are deemed to be PDMRs:

- a) members of the **Board of Directors** and **Supervisory Body** of Italmobiliare;
- b) every **senior executive** of the Company with **regular access** to inside information directly or indirectly regarding the Company, and who **has the power to make management decisions** that could affect the Company's future development and prospects.

2) The identification of senior executives of the Company with "regular" access to inside information and holders of decision-making powers is the responsibility of the **CEO**.

The identification is performed on the basis of the following criteria:

- a) assessment relating to **access** to inside information by the "executive" in relation to the assigned duties;
- b) **organisational structure** and **assignment of powers system** adopted by the Company;
- c) whether the executive has **powers to adopt management decisions** that could **affect the future development and prospects** of Italmobiliare.

3) The following are considered **Persons Closely Associated with the PDMRs** pursuant to paragraph 1, points a) and b):

- a) a spouse (not legally separated) or partner considered to be equivalent to a spouse in accordance with national law;
- b) a dependent child, in accordance with national law;
- c) a relative who has shared the same household for at least one year from the date of the transaction in question;
or
- d) a legal person, trust or partnership, the managerial responsibilities of which are discharged by a person discharging administration ⁽³⁾, control or management responsibilities or by one of the persons referred to in the previous points, or which is directly or indirectly controlled by such a person, or which is set up for the benefit of such a person, or the economic interests of which are substantially equivalent to those of such a person.

4) The PDMRs sign a declaration confirming their awareness and acceptance based on the template attached in [Annex 1](#), with the commitment to notify their respective Persons Closely Associated of their obligations pursuant to current regulations and this Procedure, and to retain a copy of the notification ⁽⁴⁾, as well as ensure that such Persons adopt all measures necessary for the purpose of prompt fulfilment of such obligations (if necessary making use of the template in [Annex 2](#)).

This declaration, duly completed also with details of the Persons Closely Associated, must be promptly transmitted to the Company.

5) The Manager in charge of receipt, management and market disclosure of the reports – as defined in Article 6 below – prepares and updates the list of PDMRs and their Persons Closely Associated on the basis of the communications received.

² See the regulatory references provided at the end of this Code.

³ Therefore, if the Company manager has managerial responsibilities with another company, the latter will qualify as a "Person Closely Associated" and must disclose transactions involving the Company's financial instruments.

⁴ See Article 19, paragraph 5, Regulation (EU) No 596/2014.

Article 2

Transactions subject to the reporting obligation by Persons Discharging Managerial Responsibilities (PDMRs) or Persons Closely Associated

- 1) The reporting obligations apply to purchase, sale, subscription or swap transactions involving shares and debt instruments issued by the Company, or derivatives or other associated financial instruments, as well as transactions ⁽⁵⁾ related to these as listed below (the **Transactions**) ⁽⁶⁾:
- a) the pledging or lending ⁽⁷⁾ of financial instruments by or on behalf of a PDMR ⁽⁸⁾ or Person Closely Associated with them;
 - b) transactions undertaken by persons professionally arranging or executing transactions or by another person on behalf of a PDMR or a Person Closely Associated, including where discretion is exercised ⁽⁹⁾;
 - c) transactions made under a life insurance policy, defined in accordance with Directive 2009/138/EC, where:
 - (i) the policyholder is a person discharging managerial responsibilities or a person closely associated with such a person;
 - (ii) the investment risk is borne by the policyholder, and
 - (iii) the policyholder has the power or discretion to make investment decisions regarding specific instruments in that life insurance policy or to execute transactions regarding specific instruments for that life insurance policy;
 - d) acquisition, disposal, short sale, subscription or exchange;
 - e) acceptance or exercise of a stock option, including of a stock option granted to PDMRs as part of their remuneration package, and the disposal of shares stemming from the exercise of a stock option;
 - f) signing of indexed swap contracts or the exercise of such contracts;
 - g) transactions in or related to derivatives, including cash-settled transactions;
 - h) entering into a contract for difference on a financial instrument of the concerned issuer or on emission allowances or auction products based thereon;
 - i) acquisition, disposal or exercise of rights, including put and call options, and warrants;
 - j) subscription to a capital increase or debt instrument issuance;

⁵ See Article 19, paragraph 7, Regulation (EU) No 596/2014 and Article 10, paragraph 2 of Regulation (EU) No 522/2016.

⁶ Furthermore, pursuant to Article 56, paragraph 1, lett. a), of Regulation (EU) No 1011/2016, the reporting obligation referred to in Article 19, paragraph 1 of Regulation (EU) No 596/2014 "shall not apply to transactions in financial instruments linked to shares or to debt instruments of the issuer referred to in that paragraph where at the time of the transaction any of the following conditions is met:

- a) the financial instrument is a unit or share in a collective investment undertaking in which the exposure to the issuer's shares or debt instruments does not exceed 20% of the assets held by the collective investment undertaking;
- b) the financial instrument provides exposure to a portfolio of assets in which the exposure to the issuer's shares or debt instruments does not exceed 20% of the portfolio's assets; or
- c) the financial instrument is a unit or share in a collective investment undertaking or provides exposure to a portfolio of assets and the person discharging managerial responsibilities or person closely associated with such a person does not know, and could not know, the investment composition or exposure of such collective investment undertaking or portfolio of assets in relation to the issuer's shares or debt instruments, and furthermore there is no reason for that person to believe that the issuer's shares or debt instruments exceed the thresholds in point (a) or (b).

If information regarding the investment composition of the collective investment undertaking or exposure to the portfolio of assets is available, then the person discharging managerial responsibility or person closely associated with such a person shall make all reasonable efforts to avail themselves of that information."

⁷ Moreover, the penultimate sentence of Article 19, subsection 7, Regulation (EU) No 596/2014 states that "a pledge, or a similar security interest, of financial instruments in connection with the depositing of the financial instruments in a custody account does not need to be notified, unless and until such time that such pledge or other security interest is designated to secure a specific credit facility."

⁸ More precisely, note that in this Article, the term "PDMR" refers to persons discharging managerial responsibilities of the Company.

⁹ Article 56, paragraph 1, lett. b), of Regulation (EU) No 1011/2016 states that "transactions executed in shares or debt instruments of an issuer or derivatives or other financial instruments linked thereto by managers of a collective investment undertaking in which the person discharging managerial responsibilities or a person closely associated with them has invested do not need to be notified where the manager of the collective investment undertaking operates with full discretion, which excludes the manager receiving any instructions or suggestions on portfolio composition directly or indirectly from investors in that collective investment undertaking".

- k) transactions in derivatives and financial instruments linked to a debt instrument of Italmobiliare, including credit default swaps;
- l) conditional transactions upon the occurrence of the conditions and actual execution of the transactions;
- m) automatic or non-automatic conversion of a financial instrument into another financial instrument, including the exchange of convertible bonds to shares;
- n) gifts and donations made or received, and inheritances received;
- o) transactions executed in index-related products, baskets and derivatives, insofar as required by Article 19 of Regulation (EU) No 596/2014;
- p) transactions executed in shares or units of investment funds, including alternative investment funds (AIFs) referred to in Article 1 of Directive 2011/61/EU of the European Parliament and Council, insofar as required by Article 19 of Regulation (EU) No 596/2014;
- q) transactions executed by manager of an AIF in which the person discharging managerial responsibilities or a person closely associated with such a person has invested, insofar as required by Article 19 of Regulation (EU) No 596/2014;
- r) transactions executed by a third party under an individual portfolio or asset management mandate on behalf or for the benefit of a person discharging managerial responsibilities or a person closely associated with such a person;
- s) borrowing or lending of shares or debt instruments of Italmobiliare or derivatives or other financial instruments linked thereto ⁽¹⁰⁾.

2) The reporting obligation applies if the total of the Transactions has reached the threshold of **20,000 (twenty thousand)** euro (or any other amount established by CONSOB). In particular, it applies to all subsequent transactions once a total of 20,000 (twenty thousand) euro has been reached during any calendar year (or any other amount established by CONSOB).

¹⁰ See Article 10, Regulation (EU) No 522/2016.

Article 3

Reporting obligations of PDMRs

1) Persons Discharging Managerial Responsibilities and their Persons Closely Associated are required to report to Italmobiliare and CONSOB on Transactions they have carried out – provided they exceed the threshold indicated in Article 2, paragraph 2 – within **3 (three) business days** from the date of the related transaction ⁽¹¹⁾. **In this respect, considering that Italmobiliare is in turn required to issue a similar communication to the public within the same period set by law (see Article 4, paragraph 1), these persons must send the communication to the Company promptly and in any case no later than 1 (one) day after the transaction.**

2) For the purpose of exceeding the threshold triggering the reporting obligation, the arithmetic mean of amounts relating to all Transactions carried out, by each PDMR and their Persons Closely Associated, is calculated. The amount indicated above is calculated separately for each PDMR and each Person Closely Associated, without aggregating the respective transactions.

3) The persons discharging administration, control or management responsibilities and their Persons Closely Associated, if they are not availing themselves of Italmobiliare's support (see Article 5, paragraph 2) must submit the prescribed reports by completing and signing the "*Template for notification and public disclosure of transactions by persons discharging managerial responsibilities and persons closely associated with them*" (**Notification Template**), attached to this Code of Conduct as Annex 3. However, if these persons have asked to avail themselves of Italmobiliare's support for the fulfilment of their notification obligation, it will be sufficient for them to send the details of the transactions carried out via e-mail to the Company.

4) PDMRs and their Persons Closely Associated may ask the Company in writing to send on their behalf the notifications to be sent to CONSOB pursuant to paragraphs 1) and 2) above, providing the Company with all the information required by the law. They may, if appropriate, use the instruction template attached as Annex 4.

In this case the persons discharging administration, control or management responsibilities and their Persons Closely Associated must inform the Company of Transactions carried out by them within **1 (one) business day** of the actual date of the transaction.

5) Reports to the Company in accordance with the above paragraph must be submitted by the aforementioned persons, by the deadlines indicated, to the Manager in charge as identified below.

¹¹ The reference is specifically to the date of confirmation of the transaction, the settlement date being irrelevant. The three business days exclude Saturdays, Sundays and all other non-business days (therefore including holidays on which markets are open for trading). Furthermore, for transactions carried out as part of individual management of investment portfolios, if such transactions do not derive from a customer instruction, reporting obligations begin from the date on which the customer receives notification of the transactions from the intermediary.

Article 4

Reporting obligations of the Company

- 1) Italmobiliare arranges the prompt disclosure to the public of reports received from persons discharging administration, control or management responsibilities and their Persons Closely Associated in accordance with Article 3 above, and in any event no later than **3 (three) business days** from the date of the Transaction, by means of the eMarket SDIR Storage system for the disclosure of regulated information, and at the same time transmit them to the authorised storage device.

- 2) Where requested by the persons discharging administration, control or management responsibilities and their Persons Closely Associated in accordance with Article 3 above, the Company arranges the submission of reports to CONSOB on behalf of such persons, provided the related notifications were sent to the Company by the same persons within **1 (one) business day** of the actual date of the Transaction, in order to allow the Company to meet the deadlines for reporting obligations to the Authority.

- 3) Any authorisation granted to the Company for its transmission of reports to CONSOB does not exclude the responsibility of PDMRs and Persons Closely Associated in relation to their respective obligations. Every formality and/or obligation inherent to this Procedure required of PDMRs and Persons Closely Associated, in fact, remains the responsibility of such persons.

- 4) Furthermore, the request for support made to the Company does not however exclude PDMRs and Persons Closely Associated from arranging issue of the prescribed reports to CONSOB. This without prejudice in any event to the reporting obligation to the Company, for public disclosure purposes, on execution of the Transaction or the intention to independently issue notification to the aforementioned Authority.

Article 5

Reporting methods

1) PDMRs and Persons Closely Associated shall inform the Manager referred to in Article 6 below of Transactions carried out by sending the necessary information for the attention of the Company's Head of Corporate Affairs, at the respective e-mail address, with a copy to the e-mail address affarisocietari@italmobiliare.it, or delivering the documentation required to the latter by hand.

In any event, the PDMRs and Persons Closely Associated must give **advance notice** of submission of the notification to the Head of Corporate Affairs **by phone**.

2) The Company arranges the public disclosure of reports received from the PDMRs and Persons Closely Associated through the electronic disclosure system used and by publication of the Notification Template in a special "Internal Dealing" section of its website.

3) Reports sent to CONSOB by the PDMRs and by Persons Closely Associated, or by the Company if specifically authorised to do so (including through the qualified persons referred to in the following article), are transmitted via certified e-mail to consob@pec.consob.it (if the sender is required to have a certified e-mail address) or by e-mail to protocollo@consob.it, indicating the "Market Information Office" as recipient and with "MAR Internal Dealing" in the subject line ⁽¹²⁾, or in accordance with any other procedures that CONSOB may establish.

¹² See CONSOB communication no. 0061330 of 1 July 2016.

Article 6

- 1) The Manager in charge of the receipt, management and disclosure to CONSOB and the market of the reports required by Article 2 (**Manager in charge**) is identified as the Corporate Affairs Director of Italmobiliare, who may avail himself of the staff assigned to his office in order to perform his activities or, even should it be impossible the use of the dissemination system adopted by the Company, of qualified third parties, duly empowered by the Manager in charge.

3) The Manager in charge and his collaborators are required to maintain maximum confidentiality regarding reports received, and are absolutely prohibited from:

- **disclosing** or disseminating by any means the information on Transactions that have not already been disclosed to the public, in accordance with the methods envisaged in current regulations and in this Procedure;
- directly or indirectly **executing** purchase, sale or any other form of transaction involving the Company's financial instruments, on their own account or on behalf of third parties;
- directly or indirectly **using** such information to recommend or incite others to purchase, sell or perform any other form of transaction involving the Company's financial instruments, on their own account or on behalf of third parties.

4) The Manager in charge and his collaborators cannot be considered liable for failure to comply with reporting obligations deriving from the omission, incorrect or delayed notification by PDMRs or their Persons Closely Associated.

Article 7

Blackout period for transactions executed by PDMRs

1) The PDMRs and Persons Closely Associated must refrain from carrying out Transactions, on their own account or on behalf of third parties, directly or indirectly, involving the shares or debt instruments of the Company, or involving derivatives or other associated financial instruments in the 30 calendar days prior to the announcement of an interim or annual financial report ⁽¹³⁾ that the Company is required to publish in accordance with legal or regulatory provisions in force ⁽¹⁴⁾, and until such report has been published.

If the Company discloses preliminary figures, the blackout period only applies to the date of disclosure of the preliminary figures, not the final figures.

2) The Board of Directors of Italmobiliare reserves the right, by special resolution, to establish further prohibitions or restrictions on carrying out Transactions by PDMRs, also in other periods of the year.

3) In order to comply with the provisions of this article:

- i. the Manager in charge will promptly inform each PDMR via e-mail of the blackout periods, the Transactions subject to blackout and the starting date of such periods;
- ii. the disclosure of information referred to in point i) above to Persons Closely Associated will be arranged by each PDMR concerned.

¹³ The date of the announcement represents the 30th day of the blackout period.

¹⁴ See Article 19, paragraph 11, Regulation (EU) No 596/2014.

Article 8

Exceptions to the ban on transactions during the blackout period

- 1) In exceptional circumstances, assessed on a case-by-case basis, such as the onset of serious financial difficulties that impose the immediate sale of financial instruments, the PDMRs and Persons Closely Associated can be authorised to trade during the blackout period.
- 2) A Person intending to arrange the sale of financial instruments during the blackout period is required to obtain prior authorisation from the CEO of Italmobiliare, through the Manager in charge.

If any requests for authorisation involve them directly, the Chairperson and the CEO submit such requests to the Board of Directors of the Company.

- 3) The duly justified request for authorisation, in writing, must contain:
 - i. a description of the transaction in question;
 - ii. an explanation of the exceptional nature of the circumstances giving rise to the transaction;
 - iii. proof that the specific transaction cannot be executed at a time other than during the blackout period.
- 4) The Company may authorise the PDMRs or Persons Closely Associated to perform transactions during the blackout period in the event of:
 - i. extremely urgent, unexpected circumstances not attributable to and beyond the control of the PDMR and/or the Person Closely Associated, which impose the immediate sale of the Company's financial instruments as the only means of obtaining necessary financial resources ⁽¹⁵⁾;
 - ii. employee stock option plans or a savings scheme, a guarantee or right to receive shares, provided that the characteristics, nature and timing of the transaction were determined, planned and organised reasonably in advance of the start of the blackout period and consequently the beneficiary's interest in the security in question is not subject to change ⁽¹⁶⁾.

¹⁵ The PDMR should only be authorised to obtain such necessary financial resources when the PDMR "has [a commitment] to fulfil, such as a legally enforceable demand, including a court order, and provided that the person discharging managerial responsibilities cannot reasonably meet this commitment without selling the concerned shares", or "It could also stem from a situation entered into by the person discharging managerial responsibilities before the closed period has started (for example, a tax liability) and requiring the payment of a sum to a third party that could not be fully or partly funded by the person discharging managerial responsibilities in ways other than selling issuer's shares" (see Regulation (EU) No 522/2016, recital 23, and Article 8.).

¹⁶) In accordance with Article 9, Regulation (EU) No 522/2016, the Company "shall have the right to permit the person discharging managerial responsibilities within the issuer to trade on its own account or for the account of a third party during a closed period, including but not limited to circumstances where that person discharging managerial responsibilities:

- a) had been awarded or granted financial instruments under an employee scheme, provided that the following conditions are met:
 - (i) the employee scheme and its terms have been previously approved by the issuer in accordance with national law and the terms of the employee scheme specify the timing of the award or the grant and the amount of financial instruments awarded or granted, or the basis on which such an amount is calculated and given that no discretion can be exercised;
 - (ii) the person discharging managerial responsibilities does not have any discretion as to the acceptance of the financial instruments awarded or granted;
- b) had been awarded or granted financial instruments under an employee scheme that takes place in the closed period provided that a pre-planned and organised approach is followed regarding the conditions, the periodicity, the time of the award, the group of entitled persons to whom the financial instruments are granted and the amount of financial instruments to be awarded, the award or grant of financial instruments takes place under a defined framework under which any inside information cannot influence the award or grant of financial instruments;
- c) exercises options or warrants or conversion of convertible bonds assigned to him under an employee scheme when the expiration date of such options, warrants or convertible bonds falls within a closed period, as well as sales of the shares acquired pursuant to such exercise or conversion, provided that all of the following conditions are met:
 - (i) the person discharging managerial responsibilities notifies the issuer of its choice to exercise or convert at least four months before the expiration date;
 - (ii) the decision of the person discharging managerial responsibilities is irrevocable;
 - (iii) the person discharging managerial responsibilities has received the authorisation from the issuer prior to proceed;
- d) acquires the issuer's financial instruments under an employee saving scheme, provided that all of the following conditions are met:
 - (i) the person discharging managerial responsibilities has entered into the scheme before the closed period, except when it cannot enter into the scheme at another time due to the date of commencement of employment;

Article 9

Data processing

- 1) The personal data of PDMRs and Persons Closely Associated will be processed under the terms and for the purpose of compliance with obligations envisaged in this Procedure and in regulations on Internal Dealing.
- 2) The provision of such data by the PDMRs and Persons Closely Associated is compulsory in order to be able to comply with legal obligations. The data provided will be stored for the period necessary to achieve the purpose for which it was obtained.
- 3) The processing of data takes place in compliance with current European and national provisions on the matter.
- 4) On delivery to the Manager in charge of the confirmation of receipt of this Code, the consent pursuant to the legislation on personal data protection in force at the time is deemed to have been duly provided.

(ii) the person discharging managerial responsibilities does not alter the conditions of his participation into the scheme or cancel his participation into the scheme during the closed period;

(iii) the purchase operations are clearly organised under the scheme terms and the person discharging managerial responsibilities has no right or legal possibility to alter them during the closed period, or are planned under the scheme to intervene at a fixed date which falls in the closed period;

e) transfers or receives, directly or indirectly, financial instruments, provided that the financial instruments are transferred between two accounts of the person discharging managerial responsibilities and that such a transfer does not result in a change in price of financial instruments;

f) acquires qualification or entitlement of shares of the issuer and the final date for such an acquisition, in accordance with the issuer's By-laws or pursuant to law, falls during the closed period, provided that the person discharging managerial responsibilities submits evidence to the issuer of the reasons for the acquisition not taking place at another time, and the issuer is satisfied with the provided explanation."

Article 10**Failure to comply with the rules of conduct**

- 1) The PDMRs' failure to comply with the provisions of this Procedure could lead to the application of sanctions.
- 2) Without prejudice to the sanctions prescribed by applicable insider dealing and market manipulation regulations, the provisions of this Procedure form an integral part of the contractual obligations accepted by PDMRs.
- 3) If the PDMRs are Company employees, they can be subject to disciplinary action in accordance with the applicable collective bargaining agreement.
- 4) In the event of failure to comply with the Procedure by members of the Company's boards, all appropriate action permitted under current regulations may be taken.
- 5) The Company in any event reserves the right, by the methods of and within the limits permitted by current legal and regulatory provisions, to take action against the PDMRs or Persons Closely Associated for any damages and/or liability claimed against the Company as a result of conduct adopted in violation of this Procedure or of applicable regulations.

Article 11

Amendments and Additions to the Code

- 1) Any amendments and/or additions to this Code are approved by the Board of Directors, except amendments triggered by changes to current regulations, changes in the organisation and in market practices, which call for immediate application and are not open to discretionary implementation, and which can therefore be applied by the CEO with immediate effect and later promptly submitted to the Board of Directors for information.

- 2) The Manager in charge will arrange for the updated text of the Code of Conduct to be sent to all PDMRs, and to obtain their acceptance of the new version, as amended and/or supplemented.

HEREBY DECLARE
