Performance of Portfolio Companies

- In the first quarter of 2025 all Industrial Portfolio Companies reported an increase in revenues YoY with **aggregated revenues up by 14%**. **Aggregated EBITDA decreased by 12% YoY**, mainly influenced by the negative EBITDA performance of Caffè Borbone (due to record high coffee price) and Italgel (due to exceptionally high comparison base)
- Growth in revenues for Caffè Borbone (+6% YoY) with lower EBITDA** (-34% YoY, 14% EBITDA margin) due to record high raw material coffee price
- Strong growth for Santa Maria Novella (revenues +21% and EBITDA + >100% YoY)** thanks to good performance of all channels and new store openings
- Continuing growth for CDS - Casa della Salute with revenues +23% and EBITDA +13% YoY**
- Higher revenues for Tecnica (+14% YoY)** thanks to growth across major categories and brands, and higher EBITDA consequently
- Positive performance for Italgel** with revenues +4% YoY and lower EBITDA due to comparison with an exceptional first quarter in 2024
- Continuing recovery for Iseo** with revenues up by 18% YoY and positive EBITDA
- Solid performance of Capitelli** with revenues up by 6% YoY and EBITDA up by 22%
- Strong performance for SIDI Sport with revenues up by 33% YoY** and improving EBITDA
- Continuing growth of Bene Assicurazioni** (GWP +21%)

Subsequent events

Risk management

Italmobiliare periodically performs an integrated analysis of the main risk factors and related mitigation measures

- **Portfolio risk analysis:**

- main risk indicators (VaR, CVaR and recovery time) are aligned with the **average risk indicators of the global equity index**
- well diversified portfolio with a **balanced degree of correlation** of the different components

- **Italmobiliare and each of the portfolio companies** periodically **monitor and analyze specific risk factors and identify precise actions for risk mitigation and hedging**

- Risk factors analyzed: capital markets, regulatory, sustainability, climate change, country and currency exposure, commodities, inflation, supply chain, technological disruption, rates, economic cycle, cybersecurity, etc.

- **Exposure to different country/area risks:** the NAV distribution proportional to the **geographic diversification of sales** shows a **good level of diversification out of Italy (~40% of NAV linked to sales abroad)**

PROFILE

Bene Assicurazioni is an insurance technology company founded in 2016 and specialized in the non-life insurance retail market with a focus on the motor segment

The company is characterized by the high level of automation and digitization of all business processes and the flexibility of the application architecture that allows a lean, efficient and scalable business model, not comparable to incumbents' operations

Bene Assicurazioni pursues an omnichannel distribution model which combines a network of agents with online direct sales on both the proprietary website bene.it, aggregators and B2B partnerships

Italmobiliare invested alongside the founder and entrepreneur Andrea Sabia to support a growth story during its phase of expansion, that has seen the company exceed in just four years of operation the threshold of Euro 100 million of gross premiums and more than doubled in the subsequent three years

Since 2022 Bene Assicurazioni is a Benefit Corporation with the aim of creating value in a responsible, sustainable and transparent way towards people, communities, territories and the environment
