

Portfolio companies: Iseo Serrature (39%)

Profile

Iseo Serrature S.p.A., headquartered in Pisogne (Northern Italy), is a leading group at European level in the design, manufacture and sale of products for access management, personal safety and anti-intrusion security.

Since 2010, the Group develops innovative solutions based on mechatronic and digital technologies and security systems for access control based on proprietary software and firmware.

Iseo is the **second Italian player** with a significant market share. Moreover, Iseo operates internationally – also through acquired companies – in France, Germany, Spain and Middle East.
