Closing remarks

Appendix

“Italmobiliare Investment Holding holds and manages a diversified investment and equities portfolio with a strategic vision underpinned by **a financial and industrial history going back more than 150 years**”

VISION

Italmobiliare Investment Holding intends to be an inspiration, an example and a reference for all those who want to identify, accelerate and enhance their long-term transformation potential and actively contribute to global challenges, **creating sustainable, innovative and therefore more competitive and resilient businesses**

MISSION

Italmobiliare Investment Holding plays an active and continuous role in the process of **portfolio growth and enhancement by combining development, internationalisation and innovation** with an effective governance and risk management model, and full ESG integration at all stages of investing

INVESTMENT STRATEGY

FOCUS

Focus on **Italian champions operating in resilient industrial, services, and consumer sectors** with **strong brands, distinctive capabilities, and international presence**
Flexible approach on investments, usually **focused on entrepreneurs skills and talent**

VALUE CREATION AND NETWORK

Contribution to value creation of portfolio companies with **strategic and financial support for organic and M&A growth**, as well as identification of **synergies** between portfolio companies and Italmobiliare itself

Private equity investments provide Italmobiliare and its direct investee companies a **global footprint** for business opportunities

GOVERNANCE

Leverage on **Italmobiliare's long history of listed holding** of multinational companies to provide **support to investee companies on matters as governance, sustainability, code of ethics, etc.**

Responsible investments and active ownership

Italmobiliare manages its flow of **investments and divestments** in order to guarantee the **sustainable success** of the Group through the **creation of shared value** in the long term.

The Code of Ethics, the Sustainability Policies and the Responsible Investment Policy lead the **screening and evaluation processes**.

The **active ownership** phase, through an active dialogue with the **Portfolio Companies** is also aimed at fully integrating sustainability in the business strategy.

A continuously updated **ESG Roadmap** details the improvement paths for the Holding and the Portfolio Companies.

Organization and resources

Sustainability is permanently on the agenda of the **Board of Directors**. The **Committee** for Sustainability and Social Responsibility, chaired by the **CEO**, provides the Board with continuous advice on ESG **strategy** and update on ESG **performance**.

The **Sustainability Department** develops and coordinates the rollout of ESG initiatives from the Holding to the Portfolio Companies and is led by a **Chief Sustainability Officer** with more than 20 years of experience in sustainability.

10

NAV dynamics

- NAV of Euro 1,975 m as of June 2022 (Euro -107 m from December 2021), mainly effect of dividend distribution (Euro 59 m), performance of listed investments and trading (Euro -31 m), holding costs and taxes (Euro -32 m), partially compensated by increase in fair value of private equity funds (Euro +14 m). Fair value of Portfolio Companies unchanged if adjusted for dividend distribution of Euro 39 m

Data in €M

Performance of Portfolio Companies

- In 1H 2022 aggregated revenues grew by 18% YoY, all Portfolio Companies reported growing revenues, except for Callmewine due to tough comparison base. Strong growth for Santa Maria Novella (+61%) and Casa della Salute (+33%)
- Aggregated EBITDA in 1H 2022 is lower by 29% compared to 1H 2021 mainly due to contingent factors which affected AGN Energia (high LPG prices) and Italgas (low production due to low rainfall); higher input costs impacted Caffè Borbone and Capitelli, only partially compensated by higher EBITDA for Santa Maria Novella and Casa della Salute
- In the second quarter of 2022 aggregated revenues grew by 19% YoY, with all Portfolio Companies reported growing revenues, while EBITDA is lower by 36% YoY

Investments, distributions and cash-ins

- In February 2022 purchased an additional 20% stake in Callmewine for Euro 4.5 m, reaching 80% shareholding
- In March 2022 co-invested Euro 20 m alongside Clessidra's CCP4 fund in Formula Impresoft (IT & software company)
- In April 2022 acquired a 19.99% stake in insurance company Bene Assicurazioni for Euro 41 m
- In May 2022 distributed an ordinary and extraordinary dividend of Euro 1.4 per share for a total of Euro 59 m
- In the first half of 2022 invested Euro 15 m in Private Equity funds (net of distributions) and received Euro 39 m of dividends from Portfolio Companies (excluding proceeds from the sale of Sirap)

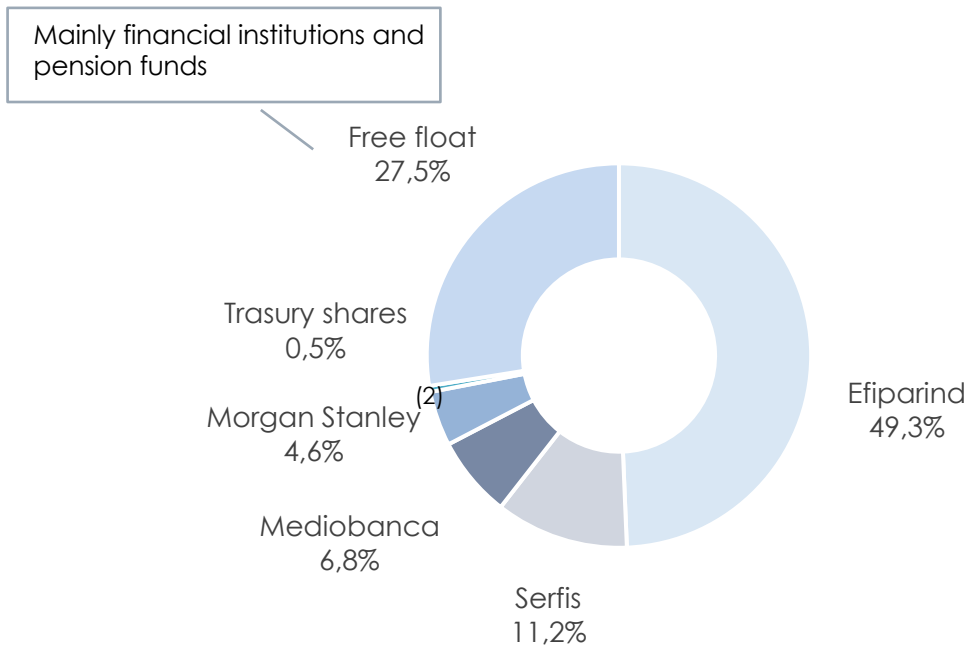

Subsequent events

- In July 2022 signed an agreement for the acquisition of 100% of SIDI Sport, a cycling and motorcycling footwear company with Euro 38 m of revenues and Euro 7 m of EBITDA, for an investment of Euro 66 m. Closing of the transaction is expected in the last quarter of 2022

Italmobiliare shareholding structure

- Major shareholder is Efiparind B.V., 100% owned by the Pesenti family
- Italmobiliare Board of Directors composed by 12 members, majority of independent directors, in office until the approval of 2022 results

Risk management

Italmobiliare periodically performs an integrated analysis of the main risk factors and related mitigation measures

- **Portfolio risk analysis:**
 - main risk indicators (VaR, CVaR and recovery time) are aligned with the **average risk indicators of the European equity index**
 - well diversified portfolio with a **balanced degree of correlation** of the different components
- **Italmobiliare and each of the portfolio companies** periodically **monitor and analyze specific risk factors and identify precise actions for risk mitigation and hedging**
 - Risk factors analyzed: capital markets, regulatory, sustainability, country and currency exposure, commodities, inflation, supply chain, technological disruption, rates, economic cycle, cybersecurity, etc.
- **Exposure to different country/area risks:** the NAV distribution proportional to the **geographic diversification of sales shows a good level of diversification out of Italy (~50% of NAV linked to sales abroad)**. Out of the **Italian NAV exposure** approx. 70% is related to businesses with a low correlation to GDP (Borbone, AGN Energia and Italgas)

Caffè Borbone (60%)

PROFILE

Caffè Borbone, headquartered in Caivano (Naples), is one of the main producers of single-serve coffee being the third player in Italy after Lavazza and Nespresso in that segment, and the market leader for capsules compatible with Lavazza® and Nestlé Nespresso® and Nescafé Dolce Gusto® systems*, thanks to the excellent price / quality ratio

Over the last years, Caffè Borbone has achieved an impressive growth supported by its focus on the fastest-growing segment of coffee capsules and pods – an innovation that has changed consumer habits – which grew by around 7% in 2021 in Italy

Caffè Borbone has gradually developed a strong brand awareness at a national level with further growth potential in the North of Italy, in the modern trade channel, and abroad, where the company has still a limited presence

PROFILE

AGN Energia based in Genoa operates mainly in Italy in the distribution of LPG gas for domestic, commercial, and industrial uses

In addition, the group has gradually diversified its business, exploiting a loyal customer base for cross selling other products (electricity and natural gas) and services (consultancy for efficiency)

With the support of Italmobiliare, Autogas Nord in November 2018 has acquired Lampogas Group, another leading Italian operator active in the sale of LPG, almost doubling its size and becoming the second player in the Italian market under the name AGN Energia

The sector in Italy is stable and highly fragmented, with further opportunities of consolidation
