Composition and term of the Board of Directors

The company is managed by a Board of Directors made up of five to fifteen members, whose term of office is established at the moment of their appointment but for no more than three years, and which expires at the date of the General Meeting called to approve the financial statements for the last year of their term. They can be re-elected.

A number of directors not lower than the minimum envisaged by law must have the requirements of independence established by current laws. They must also be entitled with other requirements prescribed by law.

Before appointing the directors, the General Meeting determines the number of members on the Board and the term of their office.

If the number of Directors is lower than the maximum number envisaged, the General Meeting, during the term of the Board of directors, can increase this number. The term of office of New Directors, appointed as per art. 15 below, expires together with those who already hold the same position at the moment of their appointment.

If one or more Directors leave their position during the year, they shall be replaced according to art. 16 below.

However, according to the provisions of clause 1 of this article, the General Meeting can decide that the number of the members of the Board be reduced to the number of Directors holding such a position for the remaining duration of their term.

If, for whatever reason, the majority of the Directors appointed by the General Meeting are no longer on the Board, the whole Board of directors is considered as lapsed.

Directors still holding their positions must urgently call the General Meeting for the appointment of the new Board of directors and, in the meantime, only perform ordinary administration activities.

Article 15

Appointment of the Board of Directors

The Board of directors is appointed based on lists whose objective is to ensure that the minority has the minimum number of directors envisaged by law and the current provisions on gender balance are complied with.

Only those Shareholders having the right to submit lists who, alone or together with other shareholders, prove that, as at the day on which the lists are submitted to the Company, they hold a total stake in share capital with voting rights which is no lower than that determined under current laws and regulations.

The notice of call to the General Meeting to resolve upon the appointment of the Board of directors includes procedures, deadline and the participation stake necessary to submit the lists of candidates for the directorship.

No shareholder may present, or participate in presenting, not even by means of another person or a trust company, more than one list or vote more than one list.

Shareholders who belong to the same group and the shareholders who are members of a shareholders' agreement whose object are company shares', cannot present or vote for more than one list, not even by means of another person or trust companies.

Lists submitted that breach these conditions will not be accepted.

In each list, the names of candidates must be listed by means of a progressive number.

Each candidate can only be presented in one list or he\she shall be ineligible.

Lists must be submitted to the company head office not later than the twenty-fifth day preceding the Meeting's called in order to resolve upon the appointment of the members of the Board of Directors; this must be mentioned in the notice of call, without prejudice to any other forms of public disclosure set forth by the applicable laws and regulations.

Lists including a number of candidates equal to or more than three, shall be made up of candidates representing both genders, so as to comply with the current rules on gender balance.

Together with each list, by the above deadline, the following must be filed at the company head office:

- a) statements by means of which the candidates accept their candidature and state, under their own responsibility, that there are no causes for ineligibility and that they are in possession of the good reputation requirements established by law;
- b) a short curriculum vitae with personal and professional features of each candidate, stating the management and control positions held in other companies;
- c) statements by each candidate about their possible independence as required by law, if any;
- d) information regarding the identity of shareholders who have submitted the lists;
- e) a statement by the shareholders, other than those who own, even jointly, a controlling or relative majority stake, which states that there are no connections, as is defined by current laws and regulations.

The certification or attestation providing evidence of the ownership of the share capital percentage required by the laws applicable at the time of the list submission may be produced even after its submission, provided that such certification is received by the Company within the deadline set out by the applicable laws and regulations concerning the publication of the lists by the Company.

Any list submitted without complying with the provisions above is considered as not being submitted.

In the event more than one list is presented:

- all Directors to be elected are elected from the list that has obtained during the General Meeting the highest number of votes, on the basis of the progressive order with which they are listed in the list, with the exception of the minimum number reserved by law to the minority list;

- the minimum number of directors reserved by law to the minority are elected from the minority list that has obtained the highest number of votes and is not connected in any way, even indirectly, with the reference shareholders;

- if various lists have obtained the same number of votes, a ballot shall be performed between these lists with the participation of all entitled to vote who are present at the General Meeting, and the candidates from the list that obtains the relative majority of share capital represented at the Meeting will be elected.

For the purpose of the allocation of directors to elect, the lists that have not obtained a percentage of votes at least equal to half of that required for their presentation shall not be considered.

If a subject connected to a reference shareholder has voted for a minority list, the connection only becomes relevant for the purposes of the exclusion of the elected minority director if the vote has been decisive for the election of that director.

In the event only one list is presented, all the candidates included in that list are elected, with a relative majority vote of the share capital represented at the General Meeting.

If by means of the mechanism of the list vote or further to the poll on the single list filed, the Board of Directors composition results non compliant with the applicable laws on gender balance, the necessary replacements shall be performed by choosing within the list which obtained the highest number of votes or within the sole filed list starting from the last candidate of the captioned list.

Then, if the minimum percentage required by the current applicable laws and regulations on gender balance results not to be met, similar replacements will be performed again within the list which obtained the highest number of votes or within the sole filed list.

If there are no lists, and in the event by means of the mechanism of the list vote, the number of elected candidates is lower than the minimum number envisaged by the By laws for its composition, the Board of directors is appointed or supplemented by the General Meeting with the legal majority, as long as the gender balance under the current applicable laws and regulations is ensured and, in any case, provided that the presence of the minimum number of directors required by current laws and regulations who have the requirements of independence is guaranteed.

Any elected director who, during the term, no longer has the requirements of good reputation required by law or by the By laws, shall forfeit his office.

If the requirements of independence required by law are no longer held, the director concerned must immediately inform the Board of directors.

This event implies the director's forfeiture of office, with the exception of the case when such

requirements are still held by the minimum number of directors envisaged by current laws and regulations.

Article 16 **Replacement of directors**

If during the year, because of resignations or other causes, one or various directors no longer hold their office, the others, as long as the majority always consists of directors appointed by the General Meeting, replace them by means of a resolution approved by the Board of statutory auditors.

Directors are replaced, without prejudice to the compliance with the requirements of good reputation and independence as per art. 15, means of the appointment of the candidates that were not elected and who belong to the same list of the former directors according to the original order of submission. If this is not possible, the Board of directors shall take care of the case under the law. The above shall be in any case carried out in compliance with the current applicable laws and regulations on gender balance.

Directors so appointed shall hold their office until the following General Meeting.

The meeting shall decide with respect to the replacement of directors, under the principles as per art. 15, based on the relative majority of share capital represented at the Meeting, and in any case in compliance with the current applicable laws and regulations on gender balance..

The term of Directors so appointed will expire with those already in office at the moment of their appointment.

Article 17 **Corporate offices**

The Board of directors appoints the Chairman, if not already appointed by the General Meeting, and possibly one or various Deputy Chairmen and defines the relevant powers, as well as the Secretary of the Board, who can also be chosen from outside its members.

When the Chairman and, if appointed, the Deputy Chairman/Chairmen is/are absent or unable to attend, the Chairman's functions are temporarily carried out by the oldest Director.

Article 18 **Powers**

The Board of Directors has the widest powers for the ordinary and extraordinary management of the company, since it is competent on everything that is not expressly reserved by law and by these By laws to the General Meeting.

- moving the company head office, as long as it remains in Italy;
- establishment or cancellation of branch offices, both in Italy and abroad;
- reduction in share capital in the event of shareholder's withdrawal;

The Board of Directors can execute major transactions with related parties, subject to authorisation of the General Meeting, despite the negative opinion of the Committee for transactions with related parties, pursuant to the Procedure for transactions with related parties adopted by the Company and made available on the Company's Internet website, providing the unrelated shareholders present at the General Meeting represent at least 10% of the share capital and that the majority of the unrelated shareholders with voting rights do not express a contrary vote, without prejudice to the statutory majorities.

In cases of urgency, the Board of Directors or the competent body may execute transactions with related parties directly or via subsidiary companies, by applying the simplified rules envisaged by the Procedure for transactions with related parties duly adopted by the Company, if such transactions do not fall within the General Meeting's competence and do not have to be authorised by the General Meeting.

The Board of directors meets, both at the company head office or elsewhere, in Italy or in other European countries, any time the Chairman, or his nominee, deems it as necessary, when it is requested by at least three Directors as well as in the case envisaged by art. 27 of these By laws.

The notices of call shall be usually made by the Chairman, or his nominee, by means of written notice to be sent via fax, telegram or electronic email, at least five days before that of the meeting.

In case of urgency, the call can be made by the same means indicated in the precedent paragraph at least 24 hours before the meeting.

The same procedure shall be followed to call the meetings of the Executive Committee.

The meetings of the Board of directors and the Executive committee are chaired by the Chairman or, if he\she is absent or unable to chair, by his\her nominee. Should both be absent, they are chaired by another director appointed by the Board of Directors or the Executive Committee.

In order for the resolutions of the Board of directors and the Executive committee to be valid, the majority of Directors holding office must be present.

Deliberations are taken by the absolute majority of votes of those present; in the event of equal vote, the chairman's vote shall prevail.

The meetings of the Board of Directors and the Executive Committee can also be held by videoconference and/or conference call. Therefore those who have the right to attend the meetings can participate, also from different venues, through appropriate connection systems.

In this case the following must be absolutely ensured:

- all participants must be recognised in each connected venue;
- Chairman and Secretary of the meeting must be in the same venue;
- all participants in the meeting must have the opportunity to take the floor, speak and verbally express their opinion, see, receive and send deeds and documents in general, and to simultaneously examine them and pass resolutions.

Such communications, as a rule, are made on the occasion of the meetings of the Board of directors or Executive committee.

When particular requirements make it appropriate or, if specific needs of immediacy make it preferable, the information can be verbal, also by telephone.

SECTION V **BOARD OF STATUTORY AUDITORS**

Article 23

Composition of the Board of Statutory Auditors

The Board of statutory auditors consists of three Acting Auditors and three Substitute Auditors.

They hold office for three years and their terms expire on the date of the Meeting called to approve the financial statements regarding their third year in office. They can be re-elected.

Those with a situation of incompatibility as envisaged by law, or those who have gone beyond the limit of cumulated offices established by current laws and regulations cannot be elected as Auditors and, if they are elected, they forfeit their office.

At least one of the Acting auditors and at least one of the Substitute auditors are chosen from those who are listed in the register, created by operation of law, of legal auditors who have practiced the activity of legal account auditing for no less than three years.

Auditors without this requirement are chosen from those who have accrued an overall experience of at least three years in the practice of:

- a) management and control activities, or managerial tasks in joint-stock companies with a share capital of no less than two million euros; or
- b) professional activities or university teaching as professor on juridical, economical, financial and technical and scientific subjects, in the sectors of industry, trade, banking, technological services and IT; or

When they are appointed, the General Meeting determines the annual remuneration of the Auditors. The costs incurred when exercising their functions are reimbursed to them.

Article 24

Appointment of the Board of statutory auditors

The Board of statutory auditors is appointed based on lists with the aim of ensuring both that the minority appoints one Acting Auditor and one Substitute Auditor and the compliance with the current applicable laws and regulations on gender balance.

Only those Shareholders have the right to present the lists who, alone or together with other shareholders, prove that they hold, as at the day on which the lists are submitted to the Company, a total percentage of share capital with voting right that is no lower than that determined under the current regulation for the appointment of the Board of directors.

Procedures, terms and participation stake required for the presentation of the lists of candidates for the office are indicated in the notice of call of the General Meeting called to resolve upon the appointment of the Board of statutory auditors.

No Shareholder may present, or participate in presenting, not even by means of another person or a trustee company, more than one list, nor vote more than one list.

Shareholders belonging to the same group and shareholders who are members of a shareholders' agreement, whose object are Company's shares, cannot present or vote for more than one list, not even by means of another person or by means of trustee companies.

Lists presented that breach these conditions shall not be accepted.

Each list comprises two sections: one for the candidates for the office of Acting Auditor and the other for the candidates for the office of Substitute Auditor.

The names of no more than three candidates for the office of Acting Auditor and no more than three candidates for the office of Substitute Auditor must be listed in each section, by means of a progressive number.

Each candidate can only participate in one list, or he shall be ineligible.

The lists must be filed with the company head office not later than the twenty-fifth day preceding the date of General Meeting called in order to resolve upon the appointment of the members of the Board of Statutory Auditors; this must be mentioned in the notice of call, without prejudice to any other forms of public disclosure set forth by the applicable laws and regulations.

Lists including a number of candidates equal to or more than three shall be made up of candidates representing both genders, so as to comply with the current rules on gender balance, both as regards candidates to the office of Acting Auditor and as regards candidates to the office of Substitute Auditor.

Together with each list, by the deadline above, the following shall be filed:

- a) statements by means of which the individual candidates accept the candidacy and state, under their own responsibility, that there are no causes for ineligibility or incompatibility, and that they are vested with the requirements stated in law or in these By-laws for the office;
- b) a short curriculum vitae about personal and professional skills of each candidate, stating the management and control positions held at other companies;
- c) information regarding the identity of the shareholders who have presented the lists;
- d) the statement of shareholders, other than those who hold, even jointly, a controlling or a relative majority stake, which states that there are no relationships of connection, as defined by current regulations.

The certification or attestation providing evidence of the ownership of the share capital percentage required by the laws applicable at the time of the list submission may be produced even after its submission, provided that such certification is received by the Company within the deadline set out by the applicable laws and regulations concerning the publication of the lists by the Company,

A list presented without complying with the provisions above is considered as not being presented.

In the event that, as at the expiration date of the twenty-fifth day term preceding the date of the General Meeting called in order to resolve upon the appointment of the members of the Board of Statutory Auditors, only one list has been filed, or only lists presented by shareholders who are connected to each other under current regulations, within the term provided by the applicable laws and regulations, further lists can be presented, and the threshold mentioned in the notice of call will be halved.

In the event various lists are presented:

- two Acting Auditors and two Substitute Auditors are elected from the list that has obtained the highest number of votes at the General Meeting, based on the progressive order with which they are listed in the sections of the list;
- the third Acting Auditor and the third Substitute Auditor are elected from the minority list that has obtained the highest number of votes in the lists presented and voted on by the shareholders that are not connected in any way, not even indirectly, with the reference shareholders, based on the progressive order with which they are listed in the sections of the list;

- if various lists have obtained the same number of votes, a ballot vote will be carried out between these lists by all entitled to vote at the General Meeting, and Auditors will be elected from the list that obtaines the relative majority of share capital represented at the General Meeting.

If a subject connected to a reference shareholder has voted for a minority list, the connection only becomes relevant, for the purpose of excluding the elected minority Auditor, if the vote was crucial for the election of the Auditor.

In the event one single list has been presented, all the candidates included in that list are elected by a relative majority vote of share capital represented at the General Meeting.

If by means of the mechanism of the list vote or further to the poll on the single list filed, the Board of Statutory auditors composition (Acting Auditors) results non compliant with the applicable laws on gender balance, the necessary replacements shall be performed by choosing within the section for Acting auditors of the list which obtained the highest number of votes or within the sole list filed starting from the last candidate of the captioned list.

In the event no list has been presented, the Board of statutory auditors shall be appointed by the General Meeting by means of a relative majority vote of share capital represented at the General Meeting, provided that the gender balance stated by the current applicable laws and regulations is complied with.

The Chairman of the Board of statutory auditors will be the person listed at the top of the list presented and voted by the minority, or the first name on the single list presented or the person appointed by the General Meeting in the event no list has been presented.

Any elected Auditor who, during office, no longer hold the necessary requirements according to regulations and by laws, forfeits office.

Article 25 **Replacement of Auditors**

In the event of replacement of an Acting Auditor, he\she shall be replaced by the Substitute Auditor belonging to the same list.

If this is not possible, he\she shall be replaced, according to the original order of presentation, by the candidate placed in the same list as the one that left, without considering the initial section of belonging.

If the Chairman of the Board of statutory auditors has to be replaced, this office will be taken by the minority Auditor.

Auditors appointed under the clauses above shall hold their office until the next General Meeting.

If auditors need to be added to the Board:

- to replace the Auditor elected from the majority list, the new Auditor is appointed by means of a relative majority vote of share capital represented at the General Meeting, choosing from the candidates listed in the original majority list;

- to replace the Auditor elected from the minority list, the new Auditor is appointed by means of a relative majority vote of share capital represented at the General Meeting, choosing from the candidates listed in the original minority list;

- to simultaneously replace Auditors elected from the majority and minority lists, the new Auditors are appointed by means of a relative majority vote of share capital represented at the General Meeting, choosing, from the candidates indicated in the list in which each Auditor being replaced appeared, a number of Auditors equal to the number of Auditors leaving belonging to the same list.

If it is not possible to proceed under the previous clause, the General Meeting called for the integration of the Board of statutory auditors shall resolve with the relative majority of the share capital represented at the General Meeting, without prejudice to the principle as per clause 1 of the previous article. However, the Chairman of the Board of statutory auditors shall be the minority auditor.

The above mentioned replacement procedures must, in any case, comply with the current applicable laws and regulations on gender balance.

Article 26

Meetings of the Board of statutory auditors

The Board of statutory auditors shall meet as often as this is prescribed by law.

It is regularly established with the presence of the majority of Auditors and resolves by the absolute majority of those present and, in the event of an equal vote, the vote of the Chairman of the Board prevails. The disagreeing Auditor has the right to put down in the minutes the reasons for his\her disagreement.

The meetings of the Board of statutory auditors can be held by videoconference and/or conference call. Therefore, those who have the right to attend the meetings, can participate, also from different venues, through appropriate connection systems.

In this case the following must be absolutely ensured:

- all participants must be recognised in each connected venue;
- all participants in the meeting must have the opportunity to take the floor, speak and verbally express their opinion, see, receive and send deeds and documents in general, and to simultaneously examine them and pass resolutions.

In the event the meeting is held by means of videoconference and/or conference call, the meeting is deemed as held in the place where the Chairman of the Board of statutory auditors is present.

Article 27

Auditors, besides the powers envisaged by law, can, even individually, carry out in any moment inspection and control acts, as well as request information from the directors, also with reference to subsidiaries, regarding company operations or specific businesses, or make the same requests for information directly to the management and control bodies of the subsidiaries.

The Board of statutory auditors can, after giving notice to the Chairman of the Board of directors at least thirty days before the date of the meeting, call the Board of directors', the Executive committee or the Shareholders' Meeting.
