Disclaimer - This press release may contain forward-looking statements. These statements are based on the Group's current expectations and projections about future events and, by their nature, are subject to inherent risks and uncertainties. They relate to events and depend on circumstances that may or may not occur or exist in the future, and, as such, undue reliance should not be placed on them. Actual results may differ materially from those expressed in such statements as a result of a variety of factors, including: continued volatility and further deterioration of capital and financial markets, changes in commodity prices, changes in general economic conditions, economic growth and other changes in business conditions, changes in laws and regulations and the institutional environment (in each case in Italy or abroad), and many other factors, most of which are beyond the Group's control.
